

THE VOICE OF THE LUXEMBOURG'S CAPITAL MARKETS INDUSTRY

Our missions and objectives

Be the voice of the Capital Markets Industry

- Representing the common interest of its members in discussions with the government, regulators and other associations such as ICMA, ALFI, LPEA, LuxREAL, ABBL, etc.
- Creating a single point of contact for authorities and other associations on capital markets issues

Create a centre of excellence for the Industry

- Defining common strategies and guidelines
- Providing technical and strategic input
- Setting market standards
- Formulate opinions and proposals on legislation and regulation

What we're working on

Best Practices Marketing

Promote

- Promoting Luxembourg capital markets internationally and domestically (organising conferences, seminars and other events, participating in road shows)
- Managing public relations and engaging with media
- Providing networking opportunities

Collaborate

- Gathering professionals of the capital markets community in one association and providing a platform to exchange information, ideas and discuss key issues between members
